Subject: Pasco County Mine
Unit Weight Testing
CTL Project No. 1881018.100

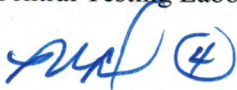

Dear Mr. Lang:

As requested, Central Testing Laboratory, Inc. (CTL) has performed a unit weight test on the above referenced material. The material was delivered to our laboratory by Wally Anderson with Pasco Mine. The unit weight test was performed on the material as delivered in a moist and uncompacted condition. Please see table below for results.

Material	Unit Weight lbs. /cubic ft.	Percent Moisture
Very Pale Brown fine Sand	76.9	5.5

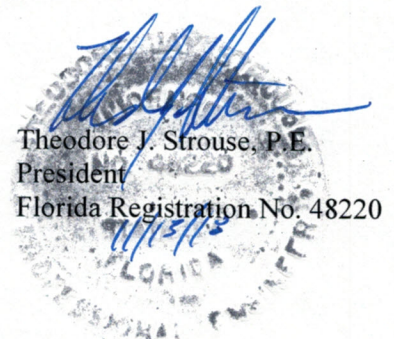

CTL appreciates the opportunity to provide our services on this project. Should you have any questions concerning this report, please do not hesitate to contact our Inverness office at (352) 726-6447 or by email at tbland@ctlfl.com.

Respectfully submitted,
Central Testing Laboratory, Inc.
